

Let's Celebrate!

You are invited to participate in a series of events celebrating the founding of the North Andover Garden Club in 1920 and the role it has played in our community for a 100 years.

Several special events will take place at local venues with a long and significant history with our Club: The Stevens-Coolidge Place, the Parson Barnard House, the Stevens Memorial Library and Patriot's Memorial Park. Each event is an opportunity to learn about the Club and its history.

Continuing a strong relationship started decades ago with The Stevens-Coolidge Place, our floral displays will be part of the "Rooms in Bloom" event on March 20-21st. Throughout the years the Garden Club and Stevens-Coolidge partnership has provided many garden-related and fund raising activities for members and guests to enjoy.

A special tree planting will take place at Patriot's Memorial Park on April 25th to acknowledge Arbor Day, 50th Earth Day and our 20 years of being stewards of the park. Two new sugar maples will replace two original maples that are in decline. Garden gloves provided!

The recently refurbished Parson Barnard herb garden will be the new home of a small memorial for garden club members who are gone, but not forgotten. Our celebration of the gardens on June 18th will be an opportunity to honor their contributions to the Club and to our community.

Additional activities are planned throughout our 100th year, but we want to make certain these are on your calendar!

The 100th Birthday Celebration Team

Ann Cavanaugh, Elaine Burke, Leslie Frazier, Norma Lochmann, Noni Macon, Nancy Norbedo, Harriett Osgood, Linda Schrader
