

The Garden Club Planting Project at the new Fire Station on Chickering Road is finished! The flower bed was created in front of the fire station sign. In remembrance of the Garden Club's deceased members, a tree was planted surrounded by catmint and daffodil bulbs. Everyone in the project group stepped in for one or more duties:

- First planning stage: Sorena and Birgit
- Designing: Linda B., Lisa, Amy, Harriett, Birgit, Brenda
- Shopping: Karen L., Harriett, Amy, and the donation of the bulbs by Sorena
- Bulb planting, bed edging, & mulching: Norma, Leslie, Adrienne, Brenda, Faith, Birgit
- Heavy landscaping work -digging out the lawn, working in topsoil, digging the holes and planting was done by our firefighters, and which they did very well!
