Registration required to receive by email the link and related PDF forms

The North Andover Garden Club and Stevens Memorial Library are pleased to co-host a video presentation by popular gardening speaker Kerry Ann Mendez. The program is “Beauty and the Beast: Bold and Fine Foliaged Plants”. A link to the video and the related PDF forms will be forwarded by email on the morning of Saturday, February 6<sup>th</sup> with instructions and details to view. Please register on the library’s website, [www.stevensmemlib.org](http://www.stevensmemlib.org), the NAGC’s website, [www.northandovergardenclub.com](http://www.northandovergardenclub.com), or the NAGC’s event listing on Facebook. The email will be sent the morning of February 6<sup>th</sup> and can be viewed all day. (Please note the video is for use by those registered and should not be forwarded to others.)

In the video, Kerry Ann Mendez shows you ways to use dynamic foliage as the magic ingredient that elevates ho-hum gardens to unforgettable works of art. She will give tips on how to select from among the endless foliage choices that offer a vast array of colors, shapes and textures, both deciduous and evergreen. A wide range of big, brawny specimens, as well as delicate beauties, will be introduced showing how they make a good team. And Kerry Ann will include suggested pairings and design tips to make a truly stunning garden.

Kerry Ann Mendez has over 25 years of professional and personal garden experience. She has given lectures, workshops and classes throughout New England, across the USA and even in Canada. She is an entertaining, inspirational and educational speaker who enjoys mingling humor with down-to-earth, transforming expertise.
